EXAMINER'S AMENDMENT

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose and/or fairly suggest a vascular graft comprising an isolated vessel from the umbilical cord or placenta and preserving it separately from the umbilical cord. The general teachings of the art would instruct one not to isolate vessels separate from the umbilical cord and preserve the isolated vessel. The isolated vessel is directly lyophilized without chemical denaturing thereby giving the vessel low antigenicity and high patency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
